## At the forefront of project management and leadership for nearly *half of a century*.

### ABOUT AIPM

The Australian Institute of Project Management (AIPM) is Australia's premier and longest-standing association in project management.

As the leading body for project professionals in Australia, we are dedicated to providing unparalleled services to our members and partners.

We offer membership and certification programs designed to accelerate professional growth and development. By becoming a member, you gain access to a vast network of like-minded individuals, exclusive resources, and invaluable insights from industry experts.

Whether you are just starting your career or are an experienced project leader, the AIPM is dedicated to helping you achieve your goals and make a significant impact in your field. Join us and become part of a dynamic network that is shaping the future of project management in Australia and beyond.

# Corporate Membership

Packages

*“Maximise your organisation’s performance and the capability of your project professionals.”*

From private firms to government entities and large corporations, there’s an AIPM Corporate Membership to suit your organisation.

Choose from four levels of Corporate Membership, depending on how many project professionals you have, and elevate your project management capability with a range of training, marketing and networking benefits.

Develop your project professionals and align your brand with Australia’s leading project management body.

- Affiliate your business with the AIPM, including **branding, sponsorship** and **award** opportunities.
- Receive **complimentary** and **discounted** AIPM **memberships, certifications, training, and events** for your employees.
- Attract, develop and retain talent with professional training and a pathway to certification programs.

# RegPM™ Certification

Levels

*“Join thousands of project professionals across Australia who have powered their career prospects with a RegPM™ certification.”*

## Certified Practising Project Practitioner (CPPP)

- For team members who work on projects, contribute to project plans and participate in team meetings.

## Certified Practising Project Manager (CPPM)

- For project managers who plan projects, manage teams and implement projects in consultation with higher authorities.

## Certified Practising Senior Project Manager (CPSPM)

- For senior project managers who manage complex and/or high-risk projects that have the potential to impact the organisation and key stakeholders.

## Certified Practising Project Director (CPPD)

- For those who regularly direct projects, assess whether progress is in line with organisational goals, and analyse effectiveness.

## Certified Practising Portfolio Executive (CPPE)

- For portfolio executives who monitor a series of projects and programs and evaluate which ones are most beneficial considering the whole organisation’s strategy.
